

St. Peter's Annual Preschool SCIENCE Camp

June 5-9 and June 12-16, 9:30-1:30

Who? Any child exiting our 3's or 4's class. Open only to current St. Peter's Preschool students.

What? Two one-week sessions chock-full of fun and learning! You can sign up for one week or both weeks. Children attending the camp will spend most of the morning outside (weather permitting). Each day is filled with a variety of science experiments and messy art projects.

When? Week 1 (June 5-9) & Week 2 (June 12-16) from 9:30 -1:30, Monday through Friday. Snack will be provided by the school, and children will need to bring a nut-free lunch and water bottle from home.

Where? Right here at St. Peter's, on the playground and in the classrooms, taught by our very own teachers.

Why? Why not!?! Science and art are awesome...and it's the summer! Time to get outside in our swimsuits and have lots of watery fun and science-artsy excitement!

How much? The cost is \$200 for one week or \$390 for both weeks. Registration will be open on a first-come, first-serve basis. Registration must include a completed form and payment.
